

HARMONI ANALYTICALS PVT. LTD.

Analytical & Synthetic Chemistry CRO

ABOUT COMPANY

Incorporated in June 2021

Operations started in Jan 2022

Located in IDA Jeedimetla, Hyderabad,
Telangana, INDIA

Provides analytical and synthetic chemistry
services to Agrochemical, Pharmaceutical,
Biotechnology and Medical Device
industries

VISION

To provide benchmark services with superior competitiveness by continually enhancing infrastructure and research quality, ultimately contributing to the betterment of human life and the environment.

MISSION

Our mission is to drive innovation and technological advancement, fortifying our position to lead in agro, pharma, and allied services.

MILESTONES - Accreditations and Certifications

OUR SERVICE

Residue & Persistence Studies

- Plant
- Soil
- Water
- Air

Five Batch Analysis

- Pre-screening
- Impurity identification and structure elucidation
- Isolation/synthesis of impurities
- GLP analysis of 5-batches

Analytical Services

Storage Stability

- Low temperature storage stability
- Freeze-thaw stability
- Accelerated and Real time
- Multi-location (shelf life)
- Stability to Metals, Metal Ions

Physical and Chemical Properties

- Technical and formulations
- Impurities and metabolites
- Explosive or Self-Reactive Properties

OUR SERVICE

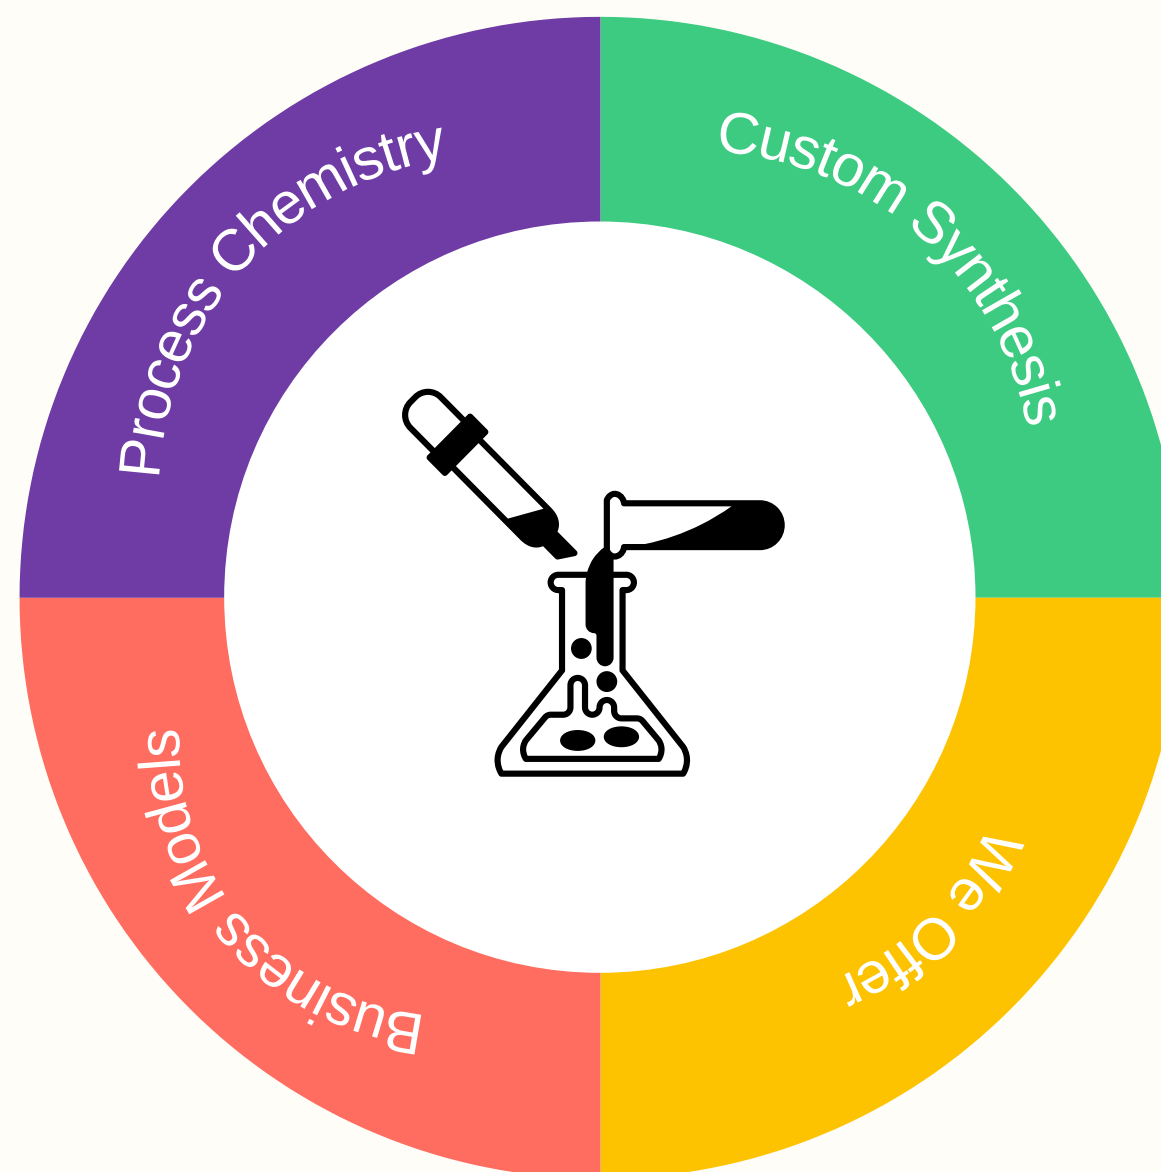

Synthetic Chemistry

Process Chemistry

- Process Development
- Technology transfer
- Analytical method development
- Impurity profiling

Business Models

- Full Time Equivalent Model (FTE)
- Fee For Service Model (FFS)

Custom Synthesis

- Impurity/Metabolite/Intermediate synthesis
- Synthesis of completely new structure
- Custom synthesis (grams to kg scale)

We Offer

- Flexible & Client driven services
- Realistic Pricing & Timeline
